Lyceum Club And Women's Art Association Active Here

The Women's Art Association of Canada was one of the first women's associations in this country.

It was founded by Mary Dignum, who was a prominent artist. Many branches were formed across Canada, and it was eventually granted a dominion charter. The Countess of Aberdeen was the first national honorary president, an office which since 1894, has been held by the wife of each Governor General of Canada.

Her Excellency Lady Alexander, Viscountess of Tunis, has been Honorary President since 1946.

Mrs. Dignum, the founder, was first national president. She was invited to visit galleries abroad, in Europe and especially in London. She came in contact with the European Lyceum Clubs which were organized for the same purposes as The Women's Art Association.

INTERNATIONAL CONTACT

From these meetings abroad, came the affiliation of the Women's Art Association of Canada with the London Lyceum Club, and eventually the association became a member of the International Lyceum Clubs, and is now known as "The Lyceum Club and Women's Art Association".

The association was organized to help artists, primarily painters, but embraced music, literature, drama, sculpture, and handicrafts such as ceramics, metal work, and wood carving.

FORMED HERE IN 1931

The Oshawa Branch of The Lyceum Club and Women's Art Association was organized on May 28, 1931 with Mrs. Charles Rogers, an artist of merit, as first president.

Only a few of the original artist members are still active. Some have left the city, some have died.

Mrs. Ewart McLaughlin, the present convener of arts and crafts, was one of the original members. Many exhibitions of paintings by outstanding Canadian artists were held in Oshawa.

The first exhibition was opened by Mrs. Dignum. Artist members of the association were given the opportunity of exhibiting their work.

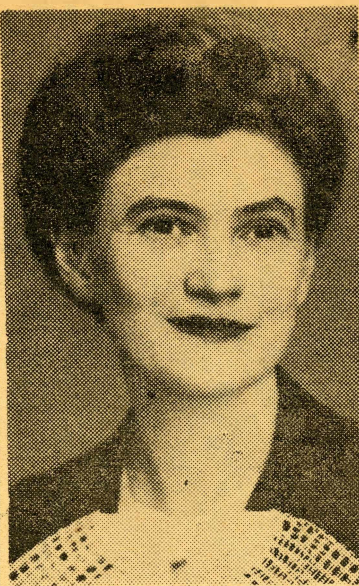

HELPED OTHER GROUPS

During the earlier years, groups of the members were active in painting music, drama, literature and ceramics. Since the association was organized, the YWCA, the Little Theatre and the CRA have come into existence.

The ceramic group which was held at Greenbriar, has been transferred to the CRA with the wheel and kiln belonging to the association. Art exhibitions are now held in the attractive YWCA building. The Little Theatre, so active in Oshawa is now the drama centre. Community concerts draw the music lovers. It was from the association's activities that "The Elizabethan Singers" came into existence.

NOTABLE PRODUCTION

In 1944 the production "Modes and Music" was presented by the

MRS. R. A. WALLACE
President of the Oshawa Lyceum Club and Women's Art Association.

association. This was an excellent performance, the theme of which was devised and written by Mrs. Jack Aldwinckle. It was produced and directed by Mrs. W. G. Corben, and the music was under the direction of Mrs. J. P. Mangan. Actors and singers were selected from some of the best talent in Oshawa, and the net proceeds of \$560 were presented to the Red Cross Society.

Mrs. Mangan, who was music convener for some years, retained her 12 lady singers of the production and formed the well known group, "The Elizabethan Singers".

Miss May Dillon, the present music convener, was president of the Oshawa branch for many years and a charter member. She hopes that the once active music group may be reorganized.

The literary group meets each month when books are reviewed and discussed.

HAD ART CENTRE

In 1935, the association joined with the Home and School Council to sponsor The Children's Art Centre of Oshawa. It was held at Centre Street School on Saturday mornings. It was a very successful venture which continued for many years, with a large attendance of children.

Mrs. Charles Rogers was one of the prime movers in the plan for the art centre, her interest and enthusiasm being stimulated by her observations of the work conducted by Arthur Lismer at the Toronto Art Gallery.

Great credit is due to Mrs. Ewart McLaughlin who supervised and organized helpers and instructors for over one hundred children. She also donated prizes for the best works of the children.

Under the auspices of the Art

Association, Mrs. Ewart McLaughlin lent her home and grounds for a tea and exhibition. The entire proceeds plus donations from a few individuals amounted to \$311 which was used to carry on the work of the Art Centre.

DRAMA, GROUP WAS ACTIVE

In earlier years, and during the war, the Drama Group was very active. Several successful productions of a high standard were presented in Oshawa and the proceeds amounting to several hundreds of dollars were given to the Red Cross Society and war charities.

NOTEWORTHY SPEAKERS

Outstanding artists, sculptors, musicians, poets, writers and dramatists have been chosen speakers at monthly meetings. The executive tries to arrange for prominent representatives of each of the arts to be speakers at the meetings throughout each season. The association presents a fashion show every year, this being the one money-making project. Each year the association holds a Christmas tea and a garden tea for members and friends.

PRESENTS SCHOLARSHIPS

Scholarships are presented each year to students of art and music, also special financial aid has been given to students of art.

Two years ago over six hundred invitations were sent out by the association for a pianoforte recital at which an outstanding student and dominion gold medalist, Miss Geraldine Lee ARCT, made her debut by giving an excellent performance.

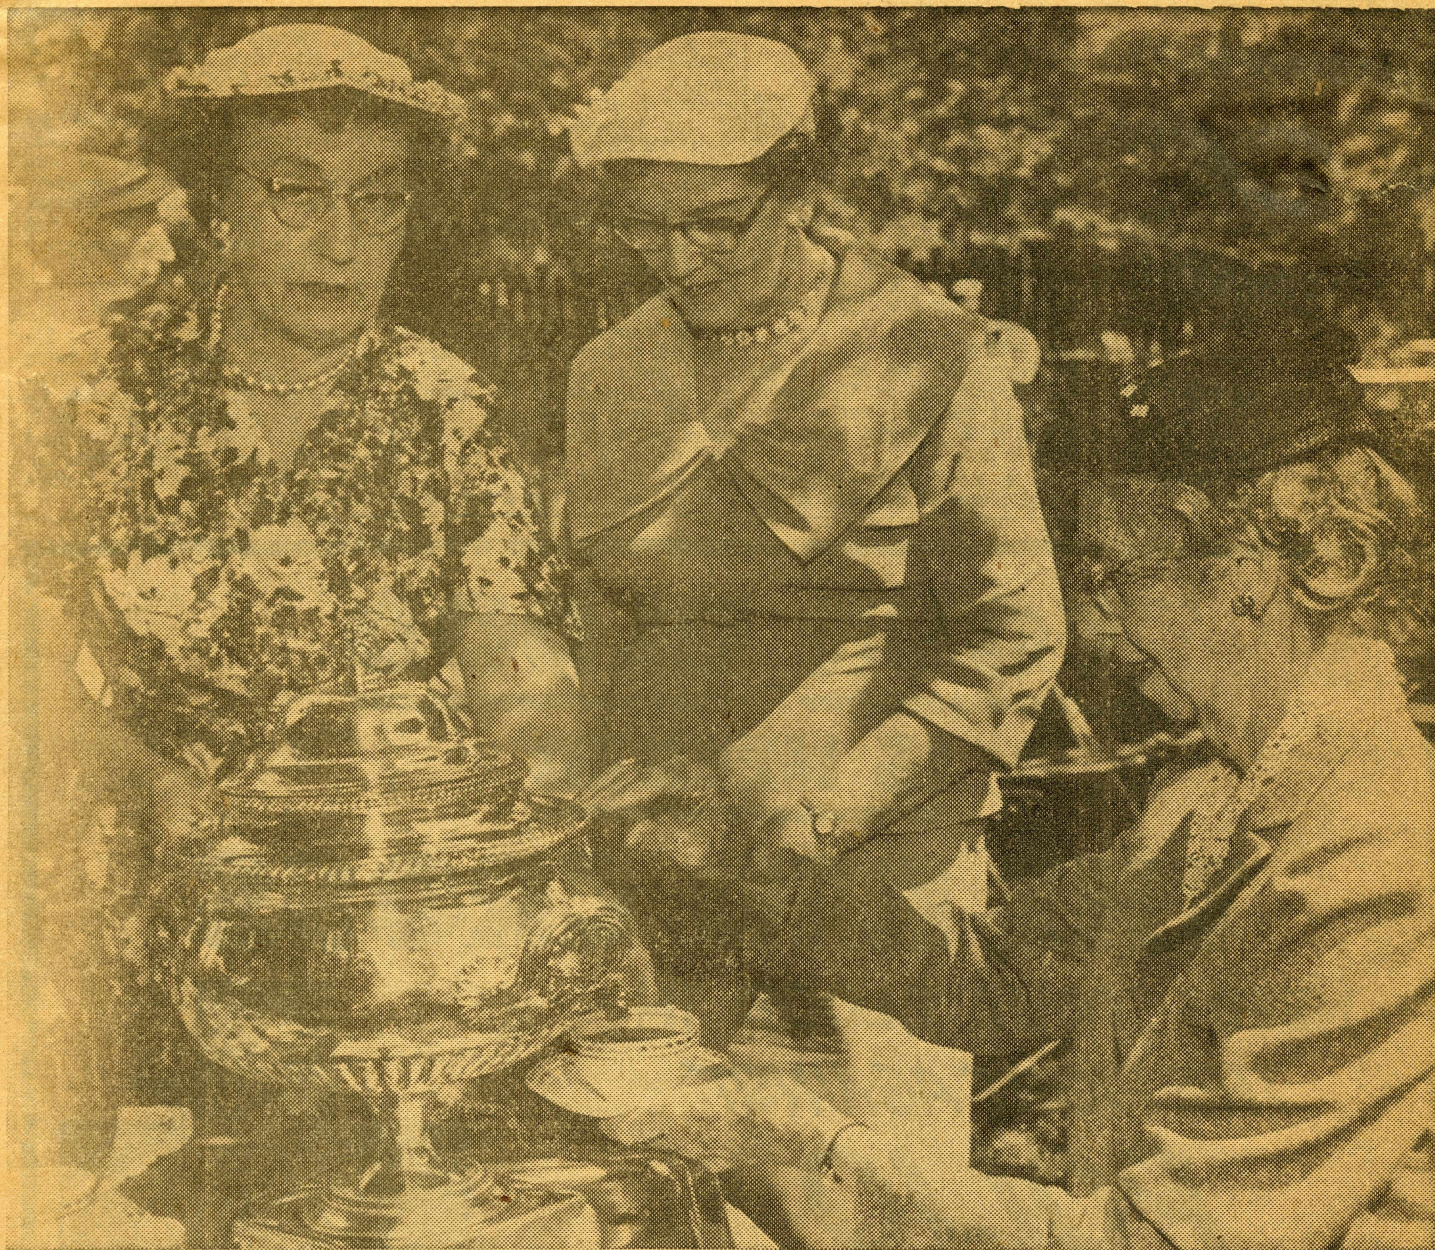

Paintings by outstanding artists have been donated to hang in the Oshawa Collegiates. Books have been presented to The Board of Education for school libraries.

Mrs. R. A. Wallace who is now president of the Oshawa Branch is an enthusiastic leader.

Following is the list of officers and conveners:
